- The Ex. Board voted to discontinue the Professional \$20.00/ month NL. Therefore I will continue developing my non-professional NL and hopefully have it emailed to all members shortly after the Monthly Gm. Sharron will snail-mail them to non PC participants. This is a trail to see how NL develops. The first one will not be as I had planned because I have run into a snag. If I dwell on this snag I will not get off the NL in time. I will attempt to place the show N tell pictures (some) in the NL, otherwise check the Gallery on our web site
- Since having recuperated from my thumb surgery I have had the pleasure of attending some Sew Ins. I have never enjoyed sewing as much as I have now that I go to the sew-ins. Just attending a general meeting does not cut it. The laughter and craziness that goes on is not enough. We actually do accomplish our projects. We were at Jo-Ann's for the class and it was a cozy but (for me) too cold a room. It is well laid out, set-up for sewing machine use. Being at Jo-Ann's I had to do a little shopping.
